Veteran

I was a proud veteran  
That served my country well  
To those that would listen  
I had many stories to tell.

We fought for America's freedom  
In far away places on foreign land.  
Wherever the battle for democracy raged.  
American's finest made a stand.

We fought for your future  
And the right to remain free.  
For we saw what freedom meant  
To those not blessed with Liberty.

For you and yours  
We would gladly have given our life.  
We faced the fears and perils of battle  
We braved endless turmoil and strife.

Please remember us veterans And  
the sacrifices we made for you. Please  
share the blessings of freedom.  
Proudly wave the red, white and blue.
